Welcome to the Skate with U.S. Program and the Mt. Pleasant Figure Skating Club. This program was designed to enable beginner skaters of all ages to learn the sport fundamentals and begin a lifetime commitment to health and fitness. This program is fun, challenging and rewarding. The Skate with U.S. Program is under the direction of the Mt. Pleasant Figure Skating Club, formed in 1997.

Class Format

Skating lessons are held weekly. Lessons are 25 minutes with a 25-minute warm-up/practice either before or after class. Classes run the entire 50 minutes. Skaters should plan to arrive at least 20 minutes prior to their class time to allow sufficient preparation time.

Clothing

We recommend skaters wear comfortable, loose fitting, warm clothing including hats, gloves or mittens. Hair that is shoulder length or longer should be tied back.

Equipment

Single blade skates [hockey or figure] are required. Skates are available at the I.C.E. Arena for a rental fee of \$1 [****reduced price****] each session. Helmets are required for children 5 years of age and younger [bicycle helmets are acceptable].
